Supernatural Provisions and All-Round Blessings

Philippians. 4:19

This theme—Supernatural Provisions and All-Round Blessings—centers on God's abundant blessings in every aspect of the lives of GOFAMINT Students. It speaks to divine provision in academics, spiritual growth, relationships, and overall well-being.

Philippians 4:19 assures us that God, through Christ Jesus, will supply all our needs—not according to human limitations, but according to His glorious, inexhaustible riches. This is a promise rooted in faith and our relationship with Christ.

In this month of August in GOFAMINT Students' Fellowship, God will meet all our needs. He will personally care for us and provide for us according to His riches in glory by Christ Jesus.

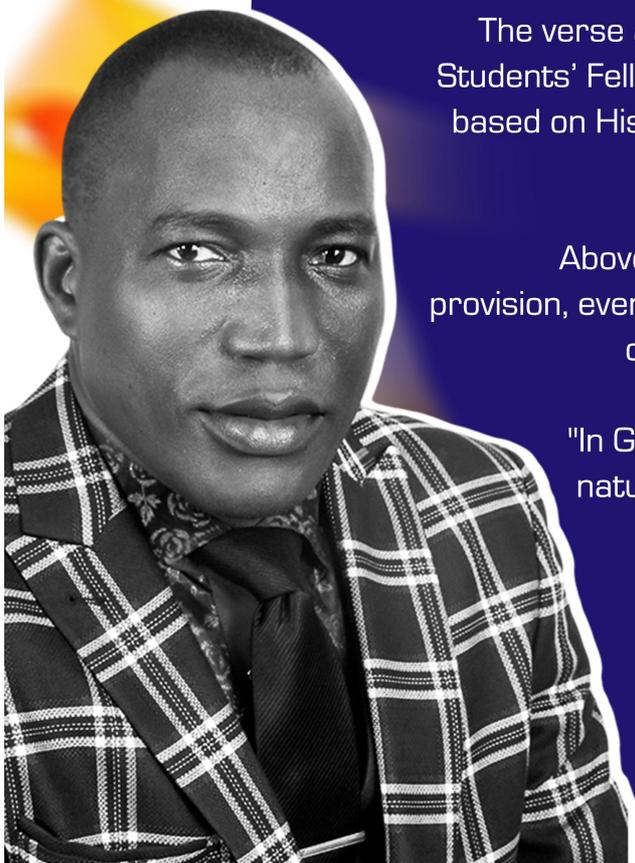

The verse also emphasizes that God's provision for the GOFAMINT Students' Fellowship is not confined by earthly standards. Rather, it is based on His infinite resources and divine splendor. Our God is more than able to bless us in every area of our lives.

Above all, this verse calls us to trust in God's faithfulness and provision, even in difficult circumstances. As prophetically declared by our father, Pastor (Dr.) E. O. Abina, the General Overseer:

"In GOFAMINT Students' Fellowship, it is our Month of Supernatural Provisions and All-Round Blessings, in Jesus' name."

We are stepping boldly into our season of divine provisions and all-round blessings, in Jesus' name.

Glory to God.
Hallelujah!

GSF NATIONAL NEWSLETTER – JULY EDITION

TRANSITIONS, IMPACT, AND FORWARD MARCH

The month of July was filled with meaningful engagement and purposeful movement as the National Campus Pastor of GSF, Pastor Taiwo Adebayo embarked on several impactful fellowship visits. These visits were focused on strengthening leadership structures, encouraging members on the field, and reaffirming the shared vision of the fellowship across campuses.

Earlier in July, the NCP was at the University of Ilorin (UNILORIN) to conduct their handing over service. While in Kwara Feild, he had a brief stop at College of Health, Offa where he checked on and further encouraged the brethren in the chapter.

The NCP also visited Lagos State University of Education (LASUED), Epe Campus Chapter, where he conducted the handing over and induction service for the fellowship.

Each visit was more than ceremonial, it was deeply spiritual, rooted in relationship, and carried the heart of national leadership to the grassroots.

On the 27th July, the NCP visited the Lagos State University (LASU) chapter to create a powerful atmosphere of unity and revival. The visit which served dual purpose of installing new Zonal Pastor and his Assistant and also inducting a new set of fellowship leaders.

A major highlight of the LASU visit was leadership transition that took place in Lagos Zone 1. After seven years of steadfast leadership, Pastor Dare Fayemi handed over the leadership of the zone to Pastor Sewedo Anago as the new Zonal Pastor and Pastor Esther Adeyeye as the Assistant Zonal Pastor.

It was a moment of reflection, gratitude, and hopeful anticipation. The atmosphere was charged with prophetic declarations, marking the handover with divine clarity and purpose.

Similarly, the Adekunle Ajasin University, Gateway Polytechnic, Sapade, Ogun State Polytechnic of Health and Allied Services, Ilese and Sikiru Adetona College of Education Science and Technology, Omu all went through smooth leadership handovers this month.

These transitions represent the heartbeat of our mission, to raise leaders who are godly, grounded, and ready to serve their generation with integrity.

As we close the chapter of July, our eyes are set on the road ahead. August comes with new opportunities to expand the work and deepen the vision. We remain fully committed to building a godly generation of change agents across Nigeria's campuses.

The fire is still burning, and the call is clear.
