# Extraordinary Miracles of Divine Preservation

Acts 19:11–12

Our Month of Extraordinary Miracles of Divine Preservation in  
GOFAMINT Students' Fellowship

Acts 19:11–12

"Now God worked unusual miracles by the hands of Paul, so that even handkerchiefs or aprons were brought from his body to the sick, and the diseases left them, and the evil spirits went out of them."

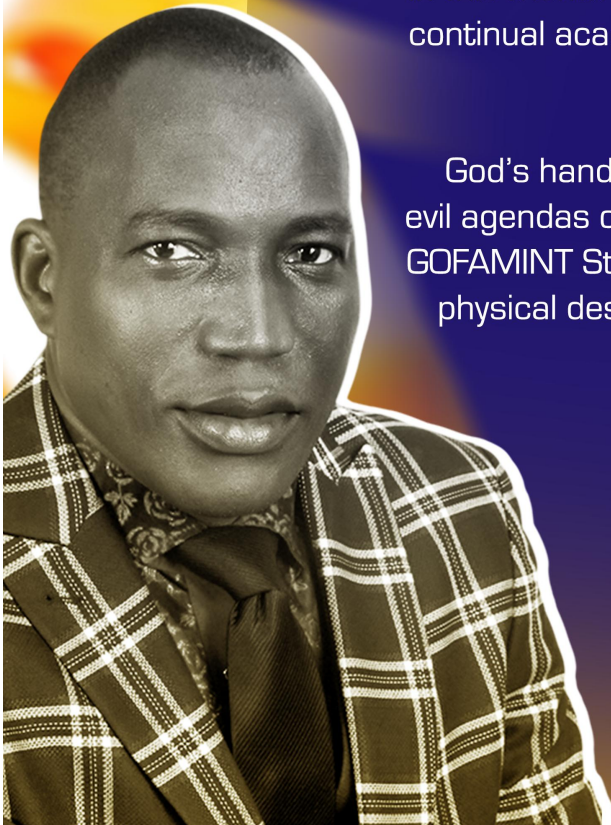

The extraordinary miracles of divine preservation in GOFAMINT Students' Fellowship serve as an assurance that God is protecting us  
His people from harm, danger, and every evil.  
It is His unfailing commitment to our well-being and the fulfillment of  
His divine purpose in our lives.

In this month of September, the Lord is promising us, as a fellowship, continual academic guidance, sustenance in seasons of hardship, renewed strength, and lasting fruitfulness in our studies.

God's hand of divine preservation will be a shield for us against the evil agendas of the wicked. I declare that, academically and spiritually, GOFAMINT Students' Fellowship shall enjoy safety from every form of physical destruction and spiritual corruption, in the mighty name of Jesus.

As prophetically declared by our father in the Lord,  
Pastor (Dr.) E. O. Abina, the General Overseer:  
"In GOFAMINT Students' Fellowship, it is our Month of  
**Extraordinary Miracles of Divine Preservation,**  
in Jesus' name."

Glory be to God! Hallelujah!

# GSF NATIONAL NEWSLETTER – AUGUST EDITION

## BLESSINGS. EXCELLENCE. LEGACY

The month of August was filled with meaningful engagement, most notably the GOFAMINT Convention, as well as purposeful movement from the National Campus Pastor of GSF, Pastor Taiwo Adebayo, who embarked on several impactful fellowship visits. These visits were focused on strengthening leadership structures, encouraging members in the field, and reaffirming the shared vision of the fellowship across campuses.

In August, the NCP visited FUTA and UNI ILESA, where he offered spiritual guidance, released fatherly blessings, and encouraged the brethren in each chapter. Each visit was more than ceremonial, it was deeply spiritual, rooted in relationship, and carried the heart of national leadership to the grassroots.

During the convention, several first-class students were celebrated, as featured in The Oracle. This recognition was not merely to showcase their achievements but to inspire every GSFITE across campuses. It was a reminder that it is possible to excel both as a believer and academically. If they could achieve it, you can too.

Another highlight of the month was the GOFAMINT Convention itself, themed You Shall Be a Blessing. This year's convention was more than just a meeting, it was a powerful move of God across the entire church. We trust you were blessed.

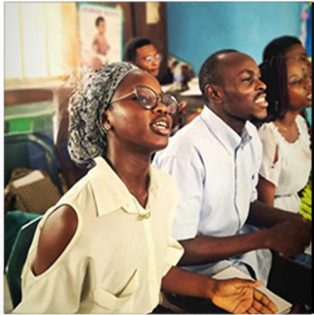

As we close the chapter of August, our eyes are set on the road ahead. September brings fresh opportunities to expand the work and deepen the vision. We remain fully committed to building a godly generation of change agents across Nigeria's campuses. The fire is still burning, and the call remains clear.

We are a growing church, we'll be grateful for every financial support we can get. The fellowship doesn't own a building of her own as a venue service. We pay for rentage for the venue we use, hence, the need for continuous financial support.

We have an urgent need of chairs and a keyboard. This would facilitate the smooth running of our fellowship services.
