

OPERATIONAL PLAN 2026

GOFAMINT STUDENTS' FELLOWSHIP (GSF)

National Secretariat Ibadan/Lagos Express Way, Gospel City, Ogunmakin, Ogun State

WELCOME MESSAGE

Psalm 138:8

“The LORD will perfect that which concerns me; Your mercy, O LORD, endures forever; Do not forsake the works of Your hands.”

With the joy of Jesus Christ, I warmly welcome us into another year of God's faithfulness, a year loaded with divine opportunities, abundant blessings, and covenant promises. This season is specially significant for us as members of the **GOFAMINT Students' Fellowship (GSF)**.

Psalm 138 is a psalm of thanksgiving written by David, celebrating God's faithfulness, mercy, and unwavering commitment to His covenant. Verse 8 stands out as a powerful declaration of confidence in God's ability to complete every work He has begun in the lives of His people.

In a world marked by uncertainty, unfinished projects, broken plans, delayed dreams, and unmet expectations. Psalm 138:8 reassures us that our lives are not abandoned projects in God's hands. What concerns us concerns God, and He is fully committed to bringing His work in us, and in GSF, to completion.

Key Truths from Psalm 138:8

1. “The LORD will perfect that which concerns me.”

To *perfect* means to complete, fulfill, mature, and finish successfully. David declares that God is not only a starter but a finisher.

Philippians 1:6 “Being confident of this very thing, that He who has begun a good work in you will perform it until the day of Jesus Christ.”

Our destiny is not in the hands of chance, circumstances, or opposition. God Himself has taken responsibility for everything that concerns us, our calling, family, health, academics, ministry, career, and spiritual growth.

2. “That which concerns me.”

This phrase reveals God's personal interest in our lives:

- God is involved in the specific details of our lives.
- Nothing about us is too small or insignificant to Him.

Matthew 6:32–33 “Your heavenly Father knows that you have need of all these things... Seek first the kingdom of God and His righteousness, and all these things shall be added to you.”

If it concerns us, it concerns God. He is neither distant nor indifferent to our struggles.

3. “Your mercy, O LORD, endures forever.”

David anchors his confidence not in his strength or consistency, but in God's enduring mercy.

Lamentations 3:22–23 “It is of the LORD’s mercies that we are not consumed... They are new every morning; great is Your faithfulness.”

God’s mercy does not expire, does not depend on human performance, and outlives our failures. Even when we stumble, mercy sustains God’s work in our lives until completion.

4. “Do not forsake the works of Your hands.”

David concludes with a humble prayer, acknowledging total dependence on God.

Isaiah 64:8 – “We are the clay, and You, our potter; we are all the work of Your hand.”

We are God’s workmanship His creation and His project. God never abandons what He creates; He finishes what He forms.

Important Reminders for All Chapters, Zones, and Fields

- God is a Finisher, not an abandoner.
- Our chapters, zones, and fields are divine assignments.
- Mercy sustains God’s projects.
- Faith declares completion before manifestation.
- Total dependence on God is essential for fulfillment.
- Trust God even when the process seems slow.
- Stop worrying about unfinished areas. God is still working.
- Declare God’s Word over your life and projects daily.
- Pray with confidence, not fear.

As we trust God with every detail of our lives, we remain confident that He will not abandon the work of His hands, specially the work of the **GOFAMINT Students’ Fellowship**.

We therefore align with the Anchor and Faith Declaration of our father in the Lord, **Pastor (Dr.) E. O. Abina**, the General Overseer of The Gospel Faith Mission International, boldly declares that in GSF:

- The Lord will perfect all that concerns us.
- Every incomplete project receives divine completion.
- GSF will not be abandoned midway in its destiny
- Mercy will speak loudly on our behalf.
- God’s hands will finish all He has started concerning GSF.

Beloved, this anchor scripture is not merely a comforting verse; it is a **covenant assurance**. The God who began His work in us has committed Himself to finishing it. No matter how complex the situation, God’s ability is greater.

As you move forward in faith, remember this truth:

Your life is safe in the hands of a God who never starts what He cannot finish.

WHAT YOU NEED TO KNOW ABOUT GSF

GOFAMINT Students' Fellowship (GSF), formerly known as Gospel Students' Fellowship, stands as the vibrant students' ministry of The Gospel Faith Mission International (GOFAMINT). Since 1982, GSF has marched forward with a burning passion to transform lives, raise godly giants, and shine the light of Christ across Nigeria's academic landscape.

From the beginning, our mission has remained clear and compelling. GSF continues to:

- Pilot the spiritual growth of GOFAMINT students in a challenging and morally polluted academic world.
- Promote academic emancipation among students in both secondary and tertiary institutions.
- Champion academic excellence and intellectual discipline among Christian students.
- Strengthen godly social relationships and nurture interpersonal, professional, and marital values rooted in Scripture.

GSF began its inspiring journey at the then University of Ife (now Obafemi Awolowo University, Ile-Ife), Osun State, Nigeria. From that humble beginning, the Fellowship grew phenomenally into a sycamore tree of hope—offering spiritual depth, academic liberation, and social strength to generations of young people.

Today, GSF reaches nearly 100 tertiary institutions across Nigeria. Our National Secretariat sits at the International Office of GOFAMINT at Gospel City, Ogunmakin, Ogun State.

By God's grace, GSF has produced thousands of graduates who now serve as influential leaders in ministry, academia, business, government, engineering, medicine, and many other sectors. The Fellowship has consistently raised men and women who carry excellence, integrity, and the fire of God into their fields.

Through the years, GSF has enjoyed transformational leadership. The following National Presidents have steered the Fellowship with vision and dedication:

- Evang. Z. I. Ilori
- Pastor D. A. Adekunle
- Pastor Dr. (Engr.) Tunde Ojo
- Pastor Akinola Oladele
- Pastor Richard Ologbonyo
- Pastor (Prof.) Moses Aderibigbe
- Pastor (Prof.) Gbenga Ayannuga

- Pastor Daniel Oyela
- Pastor (Dr.) Seun Ajileye
- Pastor Tunde Senbanjo
- Pastor Taiwo Salau
- Pastor Kayode Adegbesan
- Pastor Dr. Olayemi Olanegan

As GSF expanded, the Mission recognized the need for strong central leadership. In 1987, GOFAMINT appointed Evangelist R. O. Usenu as the first National Coordinating Minister. He served faithfully for 17 impactful years. In 2004, Pastor Richard Ologbonyo succeeded him and led with distinction for another 13 years before moving on to a fresh divine assignment.

In 2017, during the 17th Biennial Conference, the Fellowship embraced a historic rebranding—from Gospel Students’ Fellowship to GOFAMINT Students’ Fellowship (GSF). The new name aligned our identity with the global recognition of the Mission. In the same year, GOFAMINT reorganized the Youth and Students’ Ministries and created the Office of the Head of Youth/Corpers and GSF. Pastor Dr. (Engr.) Tunde Ojo, a former National President and a seasoned District and Regional Pastor, stepped into this leadership assignment.

Also in 2017, the title *National Coordinating Minister (NCM)* changed to *National Campus Pastor (NCP)*. Pastor (Prof.) Moses Aderibigbe became the pioneer holder of this new office, working with Field Pastors and the National Executive Committee (NEC). At the 2025 Biennial National Conference, he successfully handed over the mantle to Pastor Taiwo Olushola Adebayo as the new National Campus Pastor.

GSF continues to break barriers, overcome challenges, and advance with steady, strong, and unstoppable momentum. With almost 100 thriving chapters across Nigeria, we remain confident in God for greater open doors both nationwide and across the world.

GSF stands today as a family, a vision, a movement, and a spiritual powerhouse raising godly leaders for global impact.

- REACHING OUT with the message of eternal salvation to students and staff who are yet to taste the saving grace and love of God in our higher institutions and secondary schools.
- RETAINING the GOFAMINT students and other truth loving and holiness-oriented students in this reckless world. Basically, this is to enable the Christians student to pass through all the ills and odds of campus life without stumbling, straying, stinking and sinking.
- REVIVNG the lukewarm Christian students, restoring the straying ones, calling to order the straying ones and re-orienting the spiritually and the academically disoriented ones.
- REDEEMING the Christian students from academic ‘*marah*’ and mire of failure. To provide the miracle bridge that connects the hopeless, failure ridden and disappointed students to the promise land of the glorious academic success.

- REDIRECTING the zeal, enthusiasm and efforts of our students towards noble goals of life, the great commission and active church participant.
- RATIONALLY preparing and developing campus saints, by rightly intimating and integrating them into the living local church as useful members
- RAISING a generation of fire-band saints prepared for the work of the ministry; who will promote heaven values and oppose the forces of hell in the capacity of the great commission army.

CAPITAL PROJECTS

Several capital projects are currently on-going in almost all Campuses. This has become necessary because of the hostile treatment from the various schools' authorities. In some campuses, Fellowship activities are not allowed at all, while those that allows restrict their time of worship ridiculously to as little as 1 hour! Some were even harassed with their guest speakers.

The above trend has therefore motivated Fellowships to look for landed property and start building structures around the campuses. This somewhat is a plus to these Fellowship as they can hold programmes freely without any molestation from their schools' authorities. This move is however capital intensive as some of our students have to release even their school fees sometimes to get land or start building project.

As a way of encouraging these students, the Gospel Faith Mission International (GOFAMINT) has commenced an interventionist scheme of assisting all the campuses depending on the nature of their need.

In 2013: a sum ₦1.2 million was released to urgently rescue the following campuses:

Adekunle Ajasin University, Akungba Akoko (AAUA)	– ₦500,000
Federal University of Technology, Akure (FUTA)	– ₦ 250,000
Kwara State Polytechnic, Ilorin (KWARAPOLY)	– ₦250,000
Ladoke Akintola University of Technology (LAUTECH)	– ₦200,000

In 2017: the following campuses also benefitted;

Osun State University, Okuku Campus (UNIOSUN)	– ₦ 250,000
School of Health Technology, Akure (SHT, AKURE)	– ₦ 250,000

In 2020: the following campuses also benefitted;

Northern fields campuses – ₦ 650,000.

College of Health Technology, Ijero – ₦ 250,000 (Roofing).

Federal College of Education Special Oyo, – ₦ 250,000 (Roofing).

Lagos State Polytechnic, Ikorodu – ₦ 250,000 (Building).

Rufus Giwa Polytechnic, Owo, – ₦ 250,000 (for roofing, but later released to other campus that was in urgent need, which shall be refunded with addition due to inflation rate).

University of Ilorin, – ₦ 250,000 (Roofing).

In 2021: the following campuses also benefitted;

1. Warri Zone:	₦ 200,000
2. Eruwa Polytechnic, Oyo State:	₦ 200,000
3. Poly Saki, Oyo State:	₦ 200,000

4. Alayande College of Education, Oyo: ₦ 100,000
5. Federal University of Agriculture, Makurdi: ₦ 100,000
6. Federal University, Otuoke, Bayelsa: ₦ 100,000
7. Olabisi Onabanjo University, Ayetoro Campus: ₦ 100,000
8. FCET, Akoka: ₦ 100,000
9. Federal University of Agriculture, Abeokuta: ₦ 250,000

In 2023: only one campus benefitted;

Lagos State University, Ojo - ₦6,000,000 (for the purchase of landed property).

In 2024: the following campuses benefitted:

University of Ibadan - ₦4.5million (added to the ₦10.5million, contributed by the ALUMNI for the purchase of land at Agbowo).

Obafemi Awolowo University, Ile Ife - ₦5million (as addition to the on-going building project).

In 2025: the following campuses also benefitted;

1. Federal Polytechnic, Ile-Oluji, Ondo State: ₦100,000
2. School of Nursing, Ijebu-Ode, Ogun State: ₦100,000
3. Support to Lagos field ₦100000
4. OAU Building Dedication ₦200000

Efforts are however on-going to get our Alumni mobilized in sponsoring both National programmes, projects and assist in students' welfare as well. The 40th anniversary project of GSF, which is the Student Center at the Gospel City, Ogunmakin is also to be supported.

OAU Building Dedication

The GOFAMINT Students' Fellowship (GSF) joyfully commissioned and dedicated its Headquarters Worship Centre at Obafemi Awolowo University, Ile-Ife, on November 23, 2025. This remarkable achievement marks a significant milestone in the Fellowship's growing influence and spiritual impact on campus. The Mission, along with several devoted individuals, generously funded the project, demonstrating their steadfast commitment to the spiritual growth and well-being of students within the academic community.

The General Overseer of the Mission, represented by the General Secretary, Pastor Femi Omowumi, joined other National leaders to officially dedicate the Worship Centre. The Fellowship sincerely appreciates the Mission's unwavering support and the tireless contributions of all leaders and individuals who worked diligently to bring this vision to reality. Their sacrifice, dedication, and foresight have established a timeless legacy that will continue to bless generations of students.

Please be kind to notify the NCP on 08037726173 and National President on 07035483705 or e-mail: gsfnationaloffice@gmail.com or adebayotaiwoolushola@gmail.com in respect of any lodgment made for proper documentation and acknowledgement. The Lord will bless you richly as you partner with us on this project, in Jesus' name. Amen.

ALUMNI FELLOWSHIP

Other things being equal, we hope to create a rallying point for our alumni through the Alumni Fellowship. A data bank is being built (GSF website) to have the details of our alumni after which an Alumni Confabulation will hold. All campus Presidents/Liaison officers are required to forward the list of their alumni to the National Secretariat for collation.

GOFAMINT SATELLITE ASSEMBLY

The Satellite is hoped to be replicated in Lagos, Ile Ife, Osogbo, Abeokuta and Abuja, and other major cities in Nigeria. This is to further stem the exodus of our products from the Mission. Presently, the Satellite Assemblies in Ibadan (House of Joy) and Akure (House of Favour) are waxing stronger by the day with brethren finding fulfillment in their daily Christian living. Any information relating to places of worship that can be used to be routed to the NCP and National President for necessary action. It is our duty to help our fathers retain the generation and we will do our best as the Lord helps.
